### **Aetna adds four new Adventist Health System Hospitals**

Aetna and Adventist Health System have reached agreement on a new contract that adds four new Adventist hospitals to Aetna's provider networks in the Central Florida and Tampa Bay/West Central Florida areas.

Under the new agreement, the following facilities will be joining Aetna's provider network: Florida Hospital Waterman; Heartland Medical Center; Florida Hospital Lake Placid and Florida Hospital Wauchula.

Members of Aetna's network-based plans will be able to receive covered in-patient and out-patient services, at in-network rates, from all four facilities. The contract also applies to the system's affiliated physicians.

Aetna provides and administers health benefits to more than 625,000 members in Central and West Central Florida. Those members have access to a contracted network of more than 95 hospitals, and more than 13,000 primary care physicians and specialists.

#### **About Florida Hospital**

Opened in 1908, Florida Hospital is one of the largest not-for-profit hospitals in the country, caring for more than 1 million patient visits per year, that's more than any other hospital in the country, according to the American Hospital Association. The more-than-2,000-bed system, comprised of eight hospitals and 18 Centra Care locations, has been recognized by U.S. News & World Report as one of the best hospitals in the country for the past 10 years.
